MEMORANDUM FOR: Chief, SR Division

SUBJECT : Mr. COYNE's Request for Information on
the HEINE-RAUS Case

1. I am starting immediately to assemble a report for Mr. COYNE. This will not be a simple task. Although we have already prepared analyses of the HEINE case, we must remain absolutely and strictly within the three HEINE's affidavits and also within the facts contained in a safe dossier full of material, against the day when the instant report may be verified by any outside committee. Further, the report must be coordinated with WE Division (Canadian liaison aspects) and CI Staff (FBI liaison) as well as with OGC.

2. Thus, I estimate a week's work being required, and should have the finished report by 5-6 May. I hope this is sufficiently responsive to Mr. COYNE's final paragraph, "Your assistance in providing this information at an early date would be very much appreciated."
